        <h2>Cityville, September 21, 2023</h2>
    </header>

    <p>Foodies and gastronomes in Cityville have a new reason to rejoice as "Gourmet Haven," the highly anticipated gourmet food store, opened its doors today to an eager crowd of culinary enthusiasts.</p>

    <p>The store, located at 123 Delicious Street, welcomed its first customers with a dazzling array of fine foods, exotic ingredients, and artisanal products. From organic produce to rare spices and handcrafted chocolates, "Gourmet Haven" promises to be a haven for anyone passionate about food.</p>

    <p>The owner, Sarah Thompson, is thrilled about the store's grand opening and had this to say: <cite>"Food is not just nourishment; it's an art form. Gourmet Haven is not just a store; it's a culinary journey where every ingredient tells a story."</cite></p>
```

```
<p>Inside the store, customers were greeted with a sensory experience, with the aroma of freshly baked bread wafting through the air and a display of local cheeses that would make any cheese lover's heart skip a beat. The store also boasts a well-stocked wine cellar with an impressive selection of wines from around the world.</p>

<p>The opening day saw renowned chef, Emily Stevens, give a live cooking demonstration, showcasing some of the store's exquisite ingredients. Visitors were treated to mouthwatering samples, and the event was met with enthusiastic applause.</p>

<p>With its commitment to sourcing the finest ingredients and promoting local artisans, "Gourmet Haven" aims to elevate the culinary scene in Cityville. Whether you're a seasoned chef or an amateur cook, this store is sure to become a go-to destination for all your culinary needs.</p>

In this news article, I report on the grand opening of "Gourmet Haven," a gourmet food store in Cityville. The article includes a news logo, a basic HTML document structure with a title, two header tags, multiple paragraphs, a quotation from the store owner, and proper use of the `<cite>` tag to attribute the quote. Additionally, I've used the `<strong>` and `<cite>` tags as requested.
